

Milan, February 24 2009

*To all non-EU students enrolled
in University Master's Degree and
Advanced Specialisation Programmes*

Prot. No.....4008.....

Pos.III/5.....

RE: Italian entry visas for non-EU students attending university master's degree and advanced study programmes.

With reference to ministerial memorandum Prot. no. 1291 dated 16/05/2008, this is to inform you of the procedure required to obtain a long-term entry visa of the type specified in the subject line:

1. candidates must present applications for admission to the selection procedure for access to University Master's Degree or advanced study programmes, enclosing documentation of their current educational qualifications, to the Italian diplomatic authorities in their home countries by the deadline specified for the University Master's Degree or advanced study programme;
2. candidates who pass the selection procedure must present the Italian diplomatic authorities in their home countries with documentation demonstrating that they have passed the selection procedure in order to obtain a long-term Italian entry visa.

Students are asked to strictly observe the procedure described above.

The Rector
Prof. Giulio Ballio
(signed, Giulio Ballio)

N.B. – Always specify date, protocol number and position number in correspondence
