Dear Students, dear Colleagues,

As you know, we have organized the beginning of the semester in distance learning mode, with the aim of reducing the impact of this disruption in the coming months.

I therefore confirm that on Monday March 2 distance learning will begin for the courses we have already announced.

Students whose courses begin on March 2 will find the links to their virtual classrooms in their personal Online Service lesson schedule.

The operating notes and tutorials are available on this page.

On Monday 9 March all the remaining courses will be activated; we will provide further information in the next few days.

Following the decisions of the authorities, our university will keep its services operating and its premises open for research, work and study activities.

For any questions related to organizational issues on university activities please write to the following address: monitoraggio@polimi.it

Thank you for your attention

Best regards

Ferruccio Resta

Rector of Politecnico di Milano
