- n.1 Polo di Cremona Gold scholarship;
- n.16 Polo di Piacenza Gold scholarships;
- n.100 Silver scholarships for all the Campuses.

POLITECNICO
MILANO 1863

Art. 1 - Description of the Politecnico di Milano Platinum and Gold scholarships - Milano Campuses

The scholarships are addressed to international students who have been admitted to one of the *Laurea Magistrale* courses (second level title, corresponding to a Master of Science) on the Milano Campuses. The scholarships will be divided as follows:

- A maximum of 8 Platinum Scholarships of the amount of 10.000 € *gross* per year given to the first students in the rankings
- A maximum of 40 Gold Scholarships of the amount of 5.000 € *gross* per year

On top of that, scholarships recipients will receive a total fee waiver.

The amount of each scholarship (*after taxation*) will be transferred to the beneficiary's bank account in two or three instalments per year.

Art. 1.1 - Description of the Polo di Cremona Gold scholarship

The scholarship is addressed to international students who have been admitted to the first semester of the academic year 2021/22 to the *Laurea Magistrale* course in *Music and Acoustics Engineering* offered at the Cremona Campus.

The amount of the scholarship will be of 5.000 € *gross* per year.

The amount (*after taxation*) will be transferred directly to the beneficiary's bank account in two instalments.

On top of that, the scholarship recipient will receive a total fee waiver

Art. 1.2 - Description of the Polo di Piacenza Gold scholarships

The scholarships are addressed to international students who have been admitted to the *Laurea Magistrale* courses in Sustainable Architecture and Landscape Design and in Energy Engineering (track in Renewables and Environmental Sustainability) offered in English on the Piacenza Campus. The scholarships will be divided as follows:

- 8 scholarships for the *Laurea Magistrale* course in Sustainable Architecture and Landscape Design
- 8 scholarships for the *Laurea Magistrale* course in Energy Engineering (track in Renewables and Environmental Sustainability)

The scholarships will cover accommodation costs at the "Morigi" Residence in a double room,

POLITECNICO
MILANO 1863

- **from 13 September 2021, to 31 July 2022**, for students who have been admitted to the **1st semester**;
- starting **from the end of February 2022**, for students who have been admitted to the **2nd semester**.

The scholarships also include breakfast and one meal per day, from Monday to Friday. In the month of August, only the accommodation costs will be covered and no meal will be included, as well as on national holidays and the full Christmas and Easter periods.

It is possible to change the distribution of the scholarships between the two *Laurea Magistrale* courses, according to the number of admitted candidates to each course.

On top of that, scholarships recipients will receive a total fee waiver.

Art. 1.3- Description of the Silver scholarships- all Campuses

The Politecnico di Milano Silver scholarships are addressed to international students who have been admitted for the academic year 2021/2022 to one of the *Laurea Magistrale* courses offered on all the Campuses of the Politecnico di Milano.

Each scholarship will cover the total amount of enrolment fees to be corresponded, except for the administrative fee of around 200 €, that will have to be paid in advance.

Art. 2 - Beneficiary Selection

The beneficiaries will be selected among those who applied online:

- before 27th May 2021 for the first semester,
- before 20th July 2021 for the second semester

and have been admitted to one of the *Laurea Magistrale* courses offered at the Politecnico di Milano, as described in the application process published in the "Application procedures" section of the English version of the Politecnico di Milano's website www.polimi.it/en/international-prospective-students/, provided that the candidate has accepted the admission, and has completed his/her dossier with all the required documents.

POLITECNICO
MILANO 1863

Art. 3 - Outcome of the Selection – FIRST SEMESTER

The outcome of the selection concerning the first semester will be communicated only to the applicants who have been granted a scholarship

- by the end of March 2021 for those who have applied by November 19th 2020,
- by mid May 2021 for those who have applied by March 9th 2021,
- by mid July 2021 for those who have applied by May 27th 2021.

In order to confirm their acceptance, scholarships recipients will have to pay an administrative fee of around 200 €, following the instructions given through the message system of their Politecnico di Milano account (online services).

Scholarships recipients will not be asked to pay any other tuition fees for registering at the Politecnico di Milano.

In case a scholarship recipient does not comply with the terms of payment described in the online services account, the scholarship will be revoked.

The scholarship is valid only for enrolment in the 1st semester of the academic year 2021/22. If the student, for any reason, does not provide all the documents required and does not complete all the enrolment procedures, he/she will lose the right to the scholarship.

Scholarships not assigned for the first semester will be reallocated for the second semester.

Art. 4 - Outcome of the Selection – SECOND SEMESTER

The outcome of the selection concerning the second semester will be communicated only to the applicants who have been granted a scholarship by mid-December 2021, for those who have applied by 20th July 2021.

In order to confirm their acceptance, scholarships recipients will have to pay an administrative fee of around 200 €, following the instructions given through the message system of their Politecnico di Milano account (online services).

Scholarships recipients will not be asked to pay any other tuition fees for registering at the Politecnico di Milano.

In case a scholarship recipient does not comply with the terms of payment described in the online services account, the scholarship will be revoked.

POLITECNICO
MILANO 1863

The scholarship is valid only for enrolment in the 2nd semester of the academic year 2021/22. If the student, for any reason, does not provide all the documents required and does not complete all the enrolment procedures, he/she will lose the right to the scholarship.

Art. 5 - Evaluation Process

In order to assign the scholarships, the Evaluation Committee will take into consideration the evaluation made by the professors in charge of the degree programme to which the candidate has been admitted, on the basis of the documentation provided by the candidate.

Moreover, the Evaluation Committee will also take into consideration the composition of the class in terms of age, by giving preference to the youngest candidate in case of candidates in close positions, gender balance and country of origin.

The Evaluation Committee will be composed by the Delegate for International Affairs and the Deans of the Politecnico di Milano or their delegates, and appointed by the Director of the *Campus Life Division*.

Art. 6– Scholarship Compatibility

The scholarship cannot be combined with any other financial aid provided by Politecnico di Milano or by any other public Italian Institution. In case a beneficiary has been awarded with more than one scholarship, he/she must choose which one he/she will keep or reject.

Art. 7- Scholarship Confirmation, Revocation and Suspension

The scholarship – Platinum, Gold or Silver - is meant to cover the two years of the *Laurea Magistrale* course.

The student will be assigned the scholarship for his/her second year of the *Laurea Magistrale* course provided that he/she will maintain the requirements that will be communicated to him/her at the beginning of the semester of her/him enrolment of the a.y. 2021/22.

Scholarships have a minimum duration of one (1) Academic Year. In case the beneficiary decides to abandon his/her studies before the Academic Year is over, he/she will have to give back the entire amount of the scholarship he/she has benefited from.

POLITECNICO
MILANO 1863

The beneficiary will be allowed to suspend his/her studies and to maintain the benefits of the scholarship until his/her return only in extenuating circumstances, and in any case with the previous approval of the Politecnico di Milano.

Scholarships have a maximum duration of two (2) continuous years, after which the student will be responsible for his/her expenses until graduation, as well as tuition and any other fees which were covered by Politecnico di Milano during the scholarship period.

Art. 8 - Head of the selection process

In accordance with the Law of 7 August 1990, no. 241 and subsequent modifications, the Person Responsible for the Administrative Procedure is Dr. Gabriella Rega.

Art.9- Personal Data Processing

Pursuant to EU Regulation no. 679/2016, the candidates are informed that the processing of personal data they have supplied to the Politecnico di Milano is aimed solely at the completion of the selection and assignment of the scholarship of study indicated by this Call. The processing of data, for the recipient only will be finalized also to the granting of the scholarship itself and for the purposes related to its management.

The treatment will be carried out by the persons in charge of the procedure, including the Politecnico di Milano Awarding Committee, with the use of computerized procedures, in the ways and within the limits necessary to pursue the aforementioned purposes, even in the event of any communication to third parties.

The provision of such data is necessary to verify the requirements for participation and the possession of securities and their failure to indicate may preclude such verification. Further data may be requested for the sole purpose of granting the grant.

The data will be stored, in accordance with the provisions of current legislation, for a period not exceeding the necessary time to achieve the purposes for which they are processed.

The candidates have all the rights as referred on the third chapter of EU Regulation no. 679/2016, in particular, the right to access their personal data, to request correction, updating and cancellation, if incomplete, mistaken or collected in violation of the law, and to oppose to their processing for legitimate reasons.
