

ARRANGEMENTS FOR RENEWALS AND NEW REGISTRATIONS IN THE REGISTER OF STUDENT ASSOCIATIONS OF THE POLITECNICO DI MILANO

E-mail to protocollo@polimi.it with all the documentation and the forms required.

The paperwork must be sent from the polimi istituzionale e-mail address of the President-designate.

The subject of the e-mail shall be so specified: Registration in the Register of Student Associations of the Politecnico di Milano – name of the Association.

In the body of the message mention that the address is Campus Life Division - Community Life and Merchandising Unit.

An online form has been set up to replace the paper model called “elenco soci e firme” and it is available to the following link:

Each President is asked to share the link with the students members in order to collect the signatures.

It is important to provide them with the exact name of the Association and inform that it must be given inside the form as well.

Please note that this list will arrive directly at the Unit Community Life and Merchandising.

At the end of this health crisis all the documentation needs to be brought in its original version to the Unit Community Life and Merchandising and will be considered a necessary condition for the confirmation of the registration itself.
