CALL FOR INTERNATIONAL MOBILITY
A.A. 2021/2022
Did you apply for an international mobility with the first Call?
Check if you have been selected in the “International Mobility for Study” application in the online services and express your decision during the acceptance window indicated in the calendar.

IMPORTANT: REMEMBER THAT YOU WON’T RECEIVE ANY EMAIL INFORMING YOU THAT THE RESULTS HAVE BEEN PUBLISHED.
You can find the calendar of the selections in the webpage dedicated to the call:

Here

Be careful not to miss the deadline because you would be excluded!
Click on the link “WHAT DO YOU WANT TO DO?” and choose among one of the available options:

- ACCEPT
- REJECT
- WAIT

It will be available only if it will be possible to wait according to the Call rules.

IMPORTANT: in order not to be excluded from the selections, you MUST ALWAYS EXPRESS A CHOICE!
If you accept a **Double Degree mobility** but have also submitted a **Short-term mobility application** you will no longer be evaluated for **Short-term Mobility**.

If you are **SUITABLE** but you have not been selected in the first ranking, you can wait for the **second ranking**.
When you accept a destination for a Short-term Mobility you must also indicate the semester and the activity you intend to carry out abroad.

Don't worry if the information is not yet definitive, you can always change it later!
Meetings with IMU

If you have accepted the mobility, at the end of the selections you will receive an invitation for an informative meeting from the International Mobility Unit.
