How to choose a host university

HOW TO CHOOSE A HOST UNIVERSITY

CHECK ON Polimi website:

- > [Degree Programme](#): International context section 2020/2021
- > [Map of partner universities](#)
- > [Attachments](#) to the call for international mobility

Available host universities?

Minimum weighted average?

Year of application?

HOW TO CHOOSE A HOST UNIVERSITY

CHECK:

> host universities **Websites**

Educational offer?

Language requirements?

Application deadlines?

HOW TO CHOOSE A HOST UNIVERSITY

Check:

- > **Educational rules**

Attend:

- > Meetings with **Polimi Professors** (specific meetings are held for each study programme)

HOW TO CHOOSE A HOST UNIVERSITY

ATTENTION!

What if you are not an Italian citizen?

You cannot apply for a university in your country of citizenship or in the country of your previous academic studies.

How to apply

HOW TO APPLY

1. Check the [call for international mobility](#) 2020/2021
2. Fill in the **online application**

Online Services > International mobility for study

HOW TO APPLY - Deadline

Online application deadline

9 January 2020 – 12.00 pm [!]

HOW TO APPLY – The Call

There is just one call for both Double Degree (DD) and Short-term mobility (STM).

- > You can submit two applications at the same time, one for DD and one for STM
- > Selections are carried out separately, with priority given to double degrees

HOW TO APPLY – Participants

You can apply if you are enrolled in:

- > Laurea programmes
- > Laurea Magistrale programmes
- > Single-cycle Laurea Magistrale programmes
- > Single courses

HOW TO APPLY– Number of preferences

You can select:

Up to 5 preferences > DD

Up to 10 preferences > STM

The evaluation

“grado” and “bonus”

THE EVALUATION – “grado”

«grado» is based on : **ECTS**, **average** and **time** spent in your academic career

$$\text{Media totale} + 0.1 \left(\frac{\text{CFU}_{1^\circ \text{livello}} + \text{CFU}_{2^\circ \text{livello}}}{\text{Anni di immatricolazione totali} - 1} - 30 \right)$$

$$\text{Media totale} = \frac{\text{CFU}_{1^\circ \text{livello}} * \text{Media}_{1^\circ \text{livello}} + \text{CFU}_{2^\circ \text{livello}} * \text{Media}_{2^\circ \text{livello}}}{\text{CFU}_{1^\circ \text{livello}} + \text{CFU}_{2^\circ \text{livello}}}$$

Automatically generated on 31 December 2019

THE EVALUATION – bonus

Bonus: 3 points

To add to your «grado»

If you have never been in an international mobility programme for at least 3 months

Double Degree Selection

DD Selection– AUIC Eng

- Attention:**
- > Laurea in Ingegneria e Tecniche per l'Edilizia e l'Architettura
 - > Laurea in Ingegneria Edile e delle Costruzioni
 - > Single Cycle Laurea Magistrale in Ingegneria Edile/Architettura
 - > Laurea Magistrale in Ingegneria dei sistemi edilizi
 - > Laurea Magistrale in Building and Architectural Engineering
 - > Laurea Magistrale in Management of Built Environment

Follow the same rules, application process, evaluation and selection as Engineering Schools

DD Selection – Engineering

PHASE 1

For each preference we check whether:

- > You hold the minimum weighed average (if requested by the host university)
- > Your year of application is correct

Check the Map of Partner universities and the Call attachments[!]

Polimi professors check your application.

According to the rules of your study programme they can:

- > **Exclude partner universities** from your selection
- > **State the non-suitability of your profile:** hence, you are not allowed to participate in the international mobility for a.y. 2020/2021

You enter a ranking according to your «grado»

maximum score = 36

grado (33) + bonus (3)

DD SELECTION – Architecture and Design

PHASE 1

For each preference we check whether:

your application year is correct

Check the Map of Partner universities and the Call attachments[!]

DD SELECTION– Architecture and Design

PHASE 2

A School Commission of DD programmes Promoters check your application.

According to your study programme educational rules they can:

- > **Exclude partner universities** from your selection
- > **State the non-suitability** of your profile: hence, you are not allowed to participate in the DD mobility for a.y. 2020/2021

DD SELECTION– Architecture and Design

PHASE 3

You enter a ranking list according to:

- > **Grado** (max 33) + bonus (3 points)
- > **Portfolio** (max 10)
- > **Profile:** CV + motivation letter (max 10)
- > **Interview** with Promoter of the first preference (max 10).

Maximum score= 66

DD SELECTION – All the Schools

PHASE 4

Candidates are assigned to the first available preference

You are selected for a
DOUBLE DEGREE:

Accept, reject or wait?

DD RANKINGS

You must express a choice:
accept, reject, wait.**

Otherwise you are excluded from the DD for a.y. 2020/2021

DD RANKINGS- first and second rankings

Students selected on the first 3 preferences

- > **Accept**
- > **Reject**

Students selected on the 4 or 5 preference

- > **Accept**
- > **Reject**
- > **(Request to) Wait**

You are allowed to wait for the next ranking only once [!]

DD RANKINGS – third ranking

Students selected on any preference:

- > Accept
- > Reject

If you accept a DD mobility you cannot be selected for a short term mobility [!]

SHORT TERM MOBILITY selection

STM SELECTION – AUIC Eng

- Attention:**
- > Laurea in Ingegneria e Tecniche per l'Edilizia e l'Architettura
 - > Laurea in Ingegneria Edile e delle Costruzioni
 - > Single cycle Laurea Magistrale in Ingegneria Edile-Architettura
 - > Laurea Magistrale in Ingegneria dei Sistemi Edilizi
 - > Laurea Magistrale in Building and Architectural Engineering
 - > Laurea Magistrale in Management of Built Environment
- follow the same rules, application process, evaluation, selection valid for the Engineering Schools

Polimi professors check your application

According to your study programme educational rules they can:

- > **Exclude partner universities** from your selection
- > **State the non-suitability** of your profile: hence, you are not allowed to participate in the STM mobility 2020/2021

STM SELECTION – Engineering

FASE 2

You enter a ranking according to your «grado»

maximum score = 36

grado (33) + bonus (3)

STM SELECTION – Architecture and Design

FASE 1

A School Commission of DD programmes Promoters check your application.

According to your study programme educational rules they can:

- > **Exclude partner universities** in your selection
- > **State the non-suitability** of your profile: you are not allowed to participate in the international mobility for a.y. 2020/2021

STM SELECTION – Architecture and Design

FASE 2

You enter a ranking according to:

- > **Grado** (max 33) + bonus (3)
- > **Portfolio** (max 10)
- > **Profile:** CV + motivation letter (max 10)

Maximum score=56

STM – All the Schools

FASE 3

Candidates are assigned to the first available preference

You are selected for a
**Short term
mobility:**

Accept, reject or wait

STM RANKINGS

**Have you been selected?
You must express a choice:
accept, reject, wait**

Otherwise you are excluded from the international mobility for a.y. 2020/2021
