1) Read the Call

2) Check the Map of the partner universities:
   - open the dropdown menu (+ on the right) to verify any restrictions: year of application, activities e.g., no thesis
   - check the host faculty/department with which there is an active agreement

3) Visit the website of the partner university and check:
   - the educational offer
   - the teaching language of the courses
   - the required language certification
   - admission procedure for exchange students

4) Shortlist your chosen universities

5) Watch the tutorial “What to do before applying”

6) Access the Online Services enter your application and upload the required documents (only for architecture and design students).

Good luck!
