Dear All,

I am a student of Fashion Design at Universidade de Lisboa.

I know that our universities have an Erasmus bilateral agreement signed and I wanted to ask if it is possible for you to accept one person more than you have planned in the agreement for the winter semester of 2018/2019.

I talked with the Erasmus coordinator of my University and the International Office and I was informed that if you decide to expand the agreement, I would be able to receive the grant.

I am a highly motivated student, I have language certificates in Italian and English, B2 level.

In case of a positive answer what should I do?

Best regards,

XYZ
