Dear partner,

Greetings from CUHK. This is xxx and I work in the International Office as Student Adviser.

I'd like to inform you that I am going to join our faculty members in their visit to Politecnico di Milano in July 2020 and I would like to apply for the scholarship under the Erasmus+ KA107 agreement. Could you please give me some information about the grant and send me the form that I have to fill out?

I would also like to double-check what cost will be covered under the Erasmus+ Agreement (daily allowance? flight ticket?). May I also ask you how will the reimbursement be processed after we booked our flight tickets and hotel? Do I have to ask my home university to fill out any forms?

Many thanks for your help!

Best regards,

xxx
