HEREBY DECREES

the issue of the competition notice for the assignment **of 1 MS degree prize "Prof. Ottorino Sesini" year 2027.**

Art. 1
Introduction

Prof. Ottorino Sesini has been, since 1935 and for many years, an illustrious professor of Applied Mechanics to Machines at the Politecnico di Milano.
In 1981 he was appointed Professor emeritus of the Politecnico di Milano.

Thanks to the fund created in 1986 by the Sesini family, was born the prize of graduation named after him.

Art. 2
Description of the prize and recipients

The MS degree prize, for a total of €1,500.00 gross and net of charges to be paid by the Politecnico di Milano, shall be awarded to students who graduated with a Laurea Magistrale at the Politecnico di Milano:

1. in Mechanical Engineering - Ingegneria Meccanica

2. in the period May 2026 to April 2027
3. with an average exam mark of at least 27/30, with an additional score of 3/30 assigned to each honours

The Strategic Research Agreements and Corporate Relations Unit will verify whether the requirements have been met, using the Politecnico di Milano's digital archive.

It is the applicant's responsibility to ensure that the data present in the Politecnico di Milano's digital archive are correct and current by the deadline of this call for applications.

Art. 3
How to participate

Applicants must submit their applications via the Online Services http://www.polimi.it/servizionline (Benefits and agreements> Economic benefits) **by 12 pm (noon Italian time) on 28 April 2027.**

Applicants must attach the following:

- their thesis in PDF format, maximum 10 MB
- a summary of up to four pages in PDF format, maximum 10 MB

The files must be named in the format Surname-Name-Type of document.pdf (for example Smith-John-Thesis.pdf)

The completion of the online application (status: closed) is equivalent to submitting an application for participation in this call for applications, and implies acceptance of its contents.
It is the applicant's responsibility to check that the procedure has been completed correctly.
After having completed and submitted the application, the applicant may print a receipt and the application may no longer be altered The applicant may delete the application and submit a new one at any time before the deadline set out in this call.

Failure to complete and submit the application, submitting an incomplete application or submitting inadequate documents will result in the applicant being excluded from the assessment procedure.

In the case of **multi-author theses, each co-author wishing to compete** for the prize **must submit their own individual application**.
In this case, all authors must submit identical documentation required by Art. 3 under penalty of exclusion of all authors from the evaluation.
In case of non-participation of one or more authors, it is up to the applicant author to contact them in the event of winning the prize.

Art. 4
Selection Committee

The awarding of the MS degree prize is decided on the basis of a ranking drawn up by a Selection Board appointed by managerial decree after the deadline of the call for applications.

The ranking shall be drawn up by the Board taking into account the academic career and the thesis produced.
On the condition that the requirements in Art. 2 of the call are met, in the event of a tie, the Board shall award the prize to the applicant whose thesis is in the field of Mechanics Applied to Machines.

In the event that multiple applicants hold equivalent qualifications, the Board may decide to divide the amount of the prize among them.
Should the Selection Board decide that none of the theses presented by the competitors is adequate, the prize shall not be awarded.

The ranking will be posted on the University's website in the section:
https://www.polimi.it/studenti/tasse-borse-e-agevolazioni/borse-di-studio-non-dsu-e-premi-di-laurea

The winner(s) may be invited to meet with the donor.

Art. 5
General rules

Accumulation: the MS degree award cannot be combined with other Politecnico di Milano awards received for the same MS thesis.
Waiver: in case of waiver by the winner, the degree prize shall be awarded to the next applicant in the ranking.
Payment: the degree prize shall be paid in a single payment. The winner shall be notified via email, after the publication of the final ranking, at their university e-mail address. Within 10 days of receiving said notification, the winners must return the forms attached to the award notification, signed for acceptance.
Taxation: monies awarded are subject to taxation, in accordance with current legislation on scholarships and degree prizes. The degree award is treated as employment income, and is therefore treated in the same way for tax purposes The costs borne by the Politecnico di Milano correspond to the regional production (IRAP) rate amounting to 8.5% of the amount of the degree prize.

Non-award: in the event that, for any reason, the degree prize is not awarded, the relative amount shall go to increase the capital of the fund.
Self-certification: Politecnico di Milano will verify the recipient's declarations and any false declarations will result in the forfeiture of any benefits awarded.

Art. 6
Head of the procedure

Pursuant to Art. 5 of Italian Law No 241 of 7 August 1990, the head of this call for applications procedure is Diego Scaglione.
