art.5
Renewal of the scholarship

At the end of the first year, scholarship recipients may have their scholarships renewed for the following academic year subject to verification by the Graduate School's Teaching Board that the following conditions have been met:

- regularity of the academic course with the passing of a number of examinations amounting to at least **20 ECTS** in the first year;

- choice of a work theme for the development of a final thesis on topics related to the area of Brescia and/or Varese, in accordance with the School's Teaching Board.

art. 6
General Rules

Cumulation: The scholarship **cannot be combined with other scholarships or other forms of financial** aid **provided by Politecnico**, in particular with "**Diritto allo Studio" benefits**, with international mobility scholarships disbursed by Politecnico or other public or private entities. The scholarship can also not be combined with exemptions from tuition fees and contributions.

Payment: the winner of the scholarship will be notified about the award and any renewals through their university e-mail address provided during the application process. Within 7 days of receiving said notification, the winner must return the signed corresponding forms attached to the award and renewal notifications. The scholarship will be disbursed by Politecnico di Milano in 2 instalments. In the event that the scholarship is not awarded and/or the holder fails to renew the scholarship, the remaining funds will be used to establish a new call for applications.

Revocation: the scholarship may be revoked if disciplinary sanctions are brought against the recipient. In any case, the scholarship will be revoked if the recipient withdraws from his/her studies or transfers to another University during the year.

Withdrawal: in the event that the winner withdraws and/or fails to return the required forms by the relevant deadline, the scholarship will be awarded to the next eligible applicant in the ranking.

Self-certification: Politecnico di Milano will verify the recipient's declarations and any false declarations will result in the forfeiture of any benefits awarded.

Taxation: the scholarship will be subject to taxation, in accordance with current legislation relating to scholarships. The amount paid by way of scholarship shall be treated as employment income for tax purposes and shall therefore be subject to the same tax arrangements. The costs to be borne by Politecnico di Milano are the IRAP regional tax on production activities, amounting to 8.5% of the scholarship amount.
