■ **Language spoken/**

/All study programmes are taught in Greek but **in most studio case scenarios** (i.e. face-to-face communication) teachers will communicate with Erasmus+ students in English. The same applies in some theory courses, provided the teacher is willing to devise special assignments for the Erasmus+ students. A B2 level of English is required.

■ **Greek Language Courses/**

/Greek basic courses are offered during the semester to make integration into greek society and learning environment easier.

■ **Accommodation and hosting/**

/on-campus accommodation are not available. ESN (Erasmus Student Network) will help all incoming students with accommodation research and other issues.

/Access to the gym is available.

/TEI provides free meals for exchange students (2xday/7daysxweek).
