Assessment Questions

May 11th, 2026 - July 06th, 2026

<https://www.polimi.it/en/prospective-students/transfers-and-other-specific-cases>

Publication of the evaluation:
by September 04 ,2026

Deadline to accept the evaluation:
September 07,2026

Previous career evaluation for transfer requests for the academic year 2026/27

1. All documents required for the purposes of the past career evaluation must be uploaded at the time of the evaluation request. Additional documents uploaded after the deadline will not be accepted.
2. The lists of courses self-certified when completing the online application must correspond to those in the certificate of examinations taken.
3. Students with foreign qualifications: guide on how to apply at the following link: <https://www.polimi.it/en/students/special-cases> . Lists that differ between the translation and what the student entered will not be taken into consideration.
4. The exams already taken and declared in the evaluation application will be considered
5. Exams already taken and declared and exams that the student will report in his career within **July 1, 2026 not more than** will be taken into account provided that they have been indicated as optional validation at the time of the application for evaluation
6. If you have any doubt that the CFUs required for transfer without an admission test/test will not be validated, we advise you to take the relevant test for the academic year 2026/27 <https://www.polimi.it/futuri-studenti/test-e-ammissione/laurea>

ATTENTION: Only for the transition/transfer from the architectural design course taught in Italian to the English language, it is **always mandatory to take the ARCHED test** and have a suitable English language certification. <https://www.polimi.it/en/studenti/requisiti-di-lingua/students-of-an-italian-language-laurea-study-programme>

ARCHITECTURAL DESIGN

(classe L-17 decree 96/23)

Campus of Milano (course delivered in Italian and English)

Campus of Mantova (course delivered in Italian)

Campus of Piacenza (course delivered in Italian and English)

Architectural Design

By respecting the number of vacancies referred to the planned number of places according to the resolution of **January 9, 2026**, it is possible to proceed without having to take the Architecture admission test for the academic year 2026/27 if the following conditions are fulfilled.

NB: the number of students admitted to enroll in the **2nd** and **3rd** year following a transfer is **limited to 10%** of the number of students eligible for enrollment for the reference cohort.

PLEASE NOTE THAT THE COMMISSION WILL BE ABLE TO PROCEED WITH THE EVALUATION ONLY IF THE REQUEST IS CORRECTLY PAID.

ATTENTION

Forfeited Members, Resigners and Simultaneous Membership of any class and/or system (enrolled at the Polytechnic and at other universities) **are still required** to take the admission test in Architecture for the a.y. 2026/27
