In all other cases, it will be necessary to obtain a **CIMEA Statement of Verification** or an **e-Apostille**, unless an online verification link is available.

### **CHINESE SECONDARY SCHOOL QUALIFICATIONS**

It is necessary to upload the "*Verification Report of China Secondary Education Qualification Certificate*" for both the final secondary school diploma and the Gaokao. These can be consulted on the website:

<https://www.chsi.com.cn/en/>.

### **TURKISH SECONDARY SCHOOL QUALIFICATIONS**

All Turkish secondary school qualifications can be verified online, as can the YKS academic eligibility exam. In this case, it will therefore not be necessary to request a CIMEA Statement of Verification.

### **FRENCH SECONDARY SCHOOL QUALIFICATIONS**

It is necessary to upload either the Relevé des Notes du Baccalauréat or the Attestation de Réussite. In both cases, the document must include a QR code for verification via the CycladesVerif app.

## **SECONDARY SCHOOL QUALIFICATIONS FROM THE RUSSIAN FEDERATION**

## **IRANIAN SECONDARY SCHOOL QUALIFICATIONS**

Therefore, it will not be necessary to request a CIMEA Statement of Verification.
