NOTICE

Please note that the Minister of Education, University and Research, through ministerial decree of 31 January 2019, n. 66, announced the votes for reappointment of the National Council of University Students (Consiglio Nazionale Studenti Universitari - C.N.S.U.).

Voting will take place on 14 and 15 May 2019. The following representatives will be elected:

1) 28 student representatives enrolled in three-year university degree programmes, old and new educational system study programmes and laurea specialistica study programmes of old and new educational systems;
2) 1 student representative enrolled in Ph.D. study programmes;
3) 1 student representative enrolled in specializing courses.

For the election of 1 representative of the Ph.D. students and 1 representative of the specializing students, two different bodies are established on a national basis.

The right to vote can be exercised separately by those enrolled in the related specializing programmes and Ph.D. programmes of old and new educational systems available on the date of issue of the Ministerial Decree n. 66 of 31 January 2019 mentioned above, and that have properly finalized their registration by the day of voting.

The right to be voted can be exercised separately by the students enrolled in the related specializing programmes and Ph.D. programmes of old and new educational systems and that applied through an application. The requirement of regular enrolment in a specializing programmes and Ph.D. programmes of old and new educational systems must already be held on the date of application submission, at 13.00 of Friday 12 April 2019.

The enrolment to the study programmes made available by Politecnico di Milano can be confirmed by the regular payment of university tuition fees.

The lists of those enrolled in specializing and Ph.D. programmes with active and passive voting rights are available for consultation at the General Affairs and Institutional Regulations Service, starting from 12 March 2019; any exclusions from the lists must be reported by the interested parties to this Service, at: elezionistudentesche@polimi.it.

The application of each Collegio - Ph.D. students and specializing students - must be provided with the following forms:

a) Application scheme of candidates enrolled in Ph.D. programmes
b) Application scheme of candidates enrolled in specializing programmes
c) Signature collection related to candidates (for specializing and Ph.D. candidates)

Each application of each Collegio - Ph.D. students and specializing students - must be signed with signatures collected in at least 1/3 (rounded up) of the Universities of the Collegio, with a maximum limit of 50 signatures for each university.
Each subscriber is identified by the name, surname, place and date of birth, University of origin, study programme and student identification number. The signatures of students, who are not enrolled on the last day of collection of signatures supporting the application, will be invalidated.

The application of each Collegio, with the above-mentioned forms, must be submitted to the General Affairs and Institutional Regulations Service **without delay by and no later than 13.00 of Friday 12 April 2019**. The Service will promptly forward the applications to the Central Electoral Commission, established at the Ministry of Education, Universities and Research.

Ministerial Decree n. 66 of 31 January 2019 and the forms mentioned above, customized with the logo of Politecnico di Milano, are already published on the University Web site at the following link: [https://www.polimi.it/il-politecnico/organizzazione/organi-di-ateneo/rappresentanti-studenti/votazioni-cnsu-e-votazioni-studentesche/#c50711](https://www.polimi.it/il-politecnico/organizzazione/organi-di-ateneo/rappresentanti-studenti/votazioni-cnsu-e-votazioni-studentesche/#c50711)

The Central Electoral Commission will check the validity of the applications and proceed to define a list of candidates admitted to the electoral competition.

When all the applications of the related Bodies will be confirmed: students, Ph.D. students and specializing students, through communication of the Central Electoral Commission and related information, can start the electoral campaign that will end 24 hours before the first voting date.

Further information can be requested by writing to the Staff Functions - General Affairs and Institutional Regulations, at: elezionistudentesche@polimi.it

Milan, 05 February 2019

THE DIRECTOR-GENERAL

Eng. Graziano Dragoni
