Noero Architects was formed in Johannesburg in 1984. In 2000, the practice relocated to Cape Town, and now has offices in Cape Town and Port Elizabeth.

The practice has received both local and international awards, including the Lubetkin Prize from the Royal Institute of British Architects in 2006, the Ralph Erskine Prize from the Nordic Association of Architects in 1993, and the Icon Award for Building of the Year from Icon Magazine in London in 2013.
