ART. 1 FINANCIAL REQUIREMENTS

The Art.3 of the Call for assignment of Financial Aid Benefits A.Y. 2026/2027 – issued by the Management Decree Ref. 136182/2026 (hereinafter also "the Call"), is supplemented as follows:

ISEE/ISEEU Parificato and ISPE/ISPEU Parificato limits

Students requesting Financial Aid Benefits (hereinafter also "DSU benefits") must have:

- an ISEE/ISEEU Parificato (issued for the purpose of obtaining "benefits for the right to higher education") not higher than **€ 26.887,93**;
- an ISPE/ISPEU calculated by dividing the ISP value (Assets Status Indicator provided by INPS) by the equivalency scale, not higher than **€ 58.452,06.**

Regardless of their merit, students whose ISEE/ISEEU Parificato or ISPE/ISPEU Parificato exceeds the abovementioned limits will be excluded from the assignment of DSU benefits.

Independent student

A student is defined as "independent" when the following requirements are met jointly:

- the student has had a different and separate residence from their family unit for at least two years from the subscription of the Dichiarazione Sostitutiva Unica, and such a residence is not located in a property owned by their family;
- the student has been earning for two years an own, fiscally declared income derived from an employment relationship or assimilated no lower than **€ 9.000,00**. Such activities must not be carried out under an individual who is related to the student through kinship up to the student the third degree. If the independent student, basing on their civil status certificate, is cohabiting with another person, the incomes of both people must be considered mandatorily, even if they are not relatives.

An independent student is also considered an "away from home" if they take up a paid accommodation in the Municipality where their course is held, in accordance with the provisions of the Call regarding the "away from home" status recognition.

ART. 2 FOREIGN STUDENTS SUBJECT TO ISEEU PARIFICATO

The economic condition of foreign students whose household is resident abroad, as well as that of Italian students residing abroad, is determined in accordance with the provisions set out in Art. 8, comma 5, of DPCM No. 159/2013, except for any provisions issued at national level.
The income and asset condition of foreign students who are not citizens of the European Union is assessed in accordance with the procedures laid down by Legislative Decree No. 286 of July 25th 1998, and following modifications (Art. 4, comma 3 and 39), and by Presidential Decree No. 394 of August 31st 1999 (Art. 46, comma 5).

Students granted **international/subsidiary/temporary protection** (Ukraine emergency), as well as students coming from countries affected by **ongoing transnational armed conflicts** (Iran emergency), who are in proven conditions of economic hardship, are considered equivalent to

Italian citizens and, for the purposes of assessing their financial status, are exempt from submitting statements issued by diplomatic authorities.

The approved CAF remains responsible for verifying the documentation required for the issuance of the ISEEU Parificato.

In any case, the income earned abroad and declared by foreign students may not be lower than the minimum amount established at national level, corresponding to the minimum means of subsistence which must be demonstrated in order to obtain a student entry visa in Italy for study purposes.
This value constitutes the minimum threshold for assessing the requirements relating to economic conditions.

In any event, foreign students are required to declare any income and assets held in Italy in accordance with D.P.C.M. No. 159 of December 5th 2013, through the ISEE certification issued for the purpose of obtaining "benefits for the right to higher education".
